CORNERSTONE HISTORY

Cornerstone Christian School began in 1986 when the Lord put the vision for the School in the hearts of a few families that were instrumental in establishing Cornerstone. Charles and Kathy Anderson, Herb and Marilyn Pennington, Jay and Ann Privitt, and Jim and Terry Mapes were indispensably part of God's plan to give San Angelo, Texas and the surrounding area a Christ-centered school that strongly pursues excellence in spiritual development, academics and physical development of all students.

The property at 1502 North Jefferson Street (current location of Cornerstone) belonged to Riverside Baptist Church and became available in the spring of 1986. In early 1987, Wilbur and Mary Anderson purchased the building and property with intent of leasing it to Cornerstone for \$1.00 per year. In 1994, a certificate gift deed was granted to Cornerstone Christian School with the understanding it would continue to function as a Christian educational facility.

Charles Anderson was the first School Board President with Mr. Jay Privitt serving as the first Cornerstone Administrator. There were 35 students enrolled in Cornerstone when it first opened in 1986. In 1993, ground was broken to construct a new gymnasium for student physical education, athletic activities and general school assemblies. The first basketball tournament at Cornerstone was held in 1996. The School was accredited in 1999 by the Texas Alliance of Accredited Private Schools (TAAPS) for K5 through 12th grades.

In 2004, the beautiful cafeteria, used extensively today at Cornerstone, was constructed. Dr. Cleve Kirkland, a faithful parent and visionary, was instrumental in making this occur; hence the building is dedicated in his honor. Dr. Kirkland was also instrumental in the School building three tennis courts in 2004. In early 2009, Cornerstone broke ground on a large building project, which included an elementary school, a gymnasium addition, an enlarged parking lot, and updates to the existing educational facilities. In the fall of 2010, the elementary campus was opened for children in Kindergarten 4 through fifth grade. All of these wonderful expansions and advances of the Cornerstone educational ministry were made possible by a group of donors who were compelled to very generously give to the School and those who have contributed to Cornerstone through the Capital Campaign of 2009 to 2011. God has blessed Cornerstone Christian School in many incredible ways.

The people that God has placed at Cornerstone Christian School through the years of its existence have worked diligently to preeminently lift up Jesus Christ as Savior and Lord in this platform of education to all touched by the School. This is Cornerstone's singularly distinctive contribution to the Lord's work and His kingdom. Cornerstone Christian School gives all the glory and honor to Him as we celebrate our past and look to our future with great anticipation.

CORNERSTONE MISSION

The mission of Cornerstone Christian School is to develop world-changing, academically excellent leaders who are transformed by God and His Word. Cornerstone Christian School provides a Christ-centered, accredited education for students in an environment where God and education come together. Cornerstone graduates will be prepared both spiritually and academically to serve God faithfully and be a light unto the world as they proceed in life.

VISION STATEMENT

We will continually advance CCS as a Christian school of excellence, striving to reach God's benchmark in everything we do. We will lean in and listen to the prompting of the Holy Spirit as He gives us fresh, new revelation about how to serve more effectively, and we will be obedient to His prompting.

“And whatever you do, do it heartily, as to the Lord and not to men, knowing that from the Lord you will receive the reward of the inheritance; for you serve the Lord Christ.” Colossians 3:23-24

CORE VALUES

Our core values are: Faith, Excellence, Character, Service, Leadership, Family, and Love. By grace we were saved, through faith, so we apply it to all with whom we encounter, and it is the bedrock of each core value.

- **Faith: God’s Message, believing Jesus Christ is our Lord and Savior.**
“Now faith is the substance of things hoped for, the evidence of things not seen.” Hebrews 11:1
- **Excellence: God’s Standard, reaching for God’s benchmark.**
“And whatever you do, do it heartily, as to the Lord and not to men, knowing that from the Lord you will receive the reward of the inheritance; for you serve the Lord Christ.” Colossians 3:23-24
- **Character: God’s Imprint, becoming the people God created us to be.**
“And not only that, but we also glory in tribulations, knowing that tribulation produces perseverance; and perseverance, character; and character, hope.” Romans 5:3-5
- **Service: God’s Call, extending God’s love in action.**
“...just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many.” Matthew 20:28
- **Leadership: God’s Principles, equipping God’s people for His work.**
“A man’s heart plans his way, but the Lord directs his steps.” Proverbs 16:9
- **Family: God’s Fellowship, modeling God’s love and grace in our relationships.**
“But He answered and said to the one who told Him, ‘Who is My mother and who are My brothers?’ And He stretched out His hand toward His disciples and said, ‘Here are My mother and My brothers! For whoever does the will of My Father in heaven is My brother and sister and mother.” Matthew 12:48-50
- **Love: God’s Charge, adoring God and cherishing others.**
“‘And you shall love the Lord your God with all your heart, with all your soul, with all your mind, and with all your strength.’ This is the first commandment. And the second, like it, is this: ‘You shall love your neighbor as yourself.’ There is no other commandment greater than these.” Mark 12:30-31

DOCTRINAL STATEMENT AND STATEMENT OF FAITH

Cornerstone Christian School is an independent Christian school, not affiliated with any one church or denomination. Our purpose is to present Jesus Christ as Lord and Savior of all, and to provide a superior education in a Christ-centered environment. We adhere to the belief below in our Statement of Faith, but it is not our purpose to preach, teach, or take sides on doctrinal issues such as baptism, communion, speaking in tongues, the role of women in the church, or other issues where Christian denominations have differing interpretations of the Bible. The same is expected of our students and parents. We support students’ and parents’ adherence to their own particular denomination’s doctrinal beliefs. We acknowledge that the body of Christ has many different members, each with their own God-given talents and abilities. At Cornerstone, we understand that although our students, parents, teachers, staff, and board members may have differences in doctrinal belief, we are all members of the same body working together to bring the Gospel of Jesus Christ to our world.

Statement of Faith:

	Page 6	
--	--------	--

We believe in the Scriptures of the Old and New Testaments as being inspired by God and inerrant in the original writing. The Scripture is the supreme and final authority in faith and life.

PHILOSOPHY OF EDUCATION

Cornerstone Christian School believes in ministering to the total person. Therefore, we strive to provide a quality education, both spiritually and academically, for our students. Cornerstone's primary objective is to provide a strong academic foundation integrated with a Christian worldview. We believe that Jesus Christ is central to all learning and living. Our desire is to partner with our parents in raising Godly students with the consciousness that all truth is God's truth, including history, geography, science, mathematics, language arts, fine arts, and all that we do at Cornerstone. The primary reason for Cornerstone's existence is to offer a Christian foundation upon which the minds and hearts of children are developed. Character training is an important element of a Cornerstone education. We believe the core of this training is obedience, which will eventually bear fruit in self-discipline and is essential to the physical, emotional, social, and spiritual well-being of each student. To obey, to do right, and to love God and country are characteristics we strive to instill in each student.

ACADEMIC PROBATION

Students entering Cornerstone Christian School may be subject to an academic probationary period. This decision will be determined by the administrators and will be based upon the student's entrance examination, previous standardized test scores, and previous report card grades. This academic probationary period may last for a semester (18 weeks) or less time depending upon academic performance at Cornerstone as determined by the administrators. At the end of the semester, if the student is failing any course or multiple courses, his/her status as a Cornerstone student will be reviewed by the Principal, the Administrator, and the School Board.

BEHAVIORAL PROBATION

Students entering Cornerstone Christian School may be subject to a semester long (18-week) behavioral probationary status. During this semester, the student will be evaluated according to his/her behavior and ability to conform to Cornerstone's behavioral expectations and Discipleship Policy. A new student may be required to leave Cornerstone before the semester is over if there is evidence he/she will not conform to the behavioral expectations of the school. If a current Cornerstone student consistently does not meet the expected attitudinal and behavioral standards of the school, he/she will be placed on behavioral probation. This probationary status will be prayerfully determined by the Principal and Administrator. If the probationary student demonstrates an unwillingness to improve his/her attitude and behavior permanently, proper actions will be taken to have the student removed from the school.

REGISTRATION

Registration begins February 1, 2022. Any new family hoping to enroll their student(s) will be placed on a waiting list until the March 11 pre-enrollment deadline for current families. Current students will have a reserved spot for the 2022-2023 school year until March 11, 2022. On March 11, if the enrollment process has not been initiated/completed for current students, new students may be enrolled in place of students from the previous year.

Opening enrollment for all interested parties on February 1 helps us make informed staffing decisions for the upcoming school year. Additionally, this also allows us to communicate with new/incoming families about which grade levels may be able to accommodate new students.

All families will enroll in automatic tuition payments to ensure on-time payments. Families will have several due date options. Non-tuition (“incidental”) charges will be due by the next monthly billing.

SCHOOL SUPPLIES

TUITION PAYMENT POLICY

Tuition is the primary form of income for Cornerstone Christian School. All families are required to enroll in the FACTS tuition management plan as part of registration. Families may choose from several payment plans through FACTS.

TUITION DELINQUENCIES

If a family misses a monthly payment due to insufficient funds, a \$30.00 NSF payment fee by FACTS will be assessed. Additionally, a \$25.00 late fee will be assessed by the CCS institution. In the event that tuition is not paid for one month, the family will be required to meet with the Administrator to discuss the situation leading to the non-payment. If two months (60 days) of non-payment occur, the family will be asked to withdraw the student(s) from Cornerstone. The family should call the Director of Finance if any changes need to be made with their preferred tuition payment plan. In the case of extraordinary circumstances, the Administrator will evaluate the financial hardship and determine if other arrangements are to be made. Only in exceptional circumstances are any alternative arrangements for financial payment considered. **Report cards will be held until the account is current. Financial accounts must be current to be eligible for graduation.**

WITHDRAWAL POLICY

Our budget and staffing is primarily based upon our student enrollment. In order to be good stewards of the resources God has given, the School Board and Administration have instituted the following guidelines in regard to tuition during the school year:

Current and New families:

If you attend any portion of the school year, you will be responsible to pay for the entirety of tuition fees for the school year. Any exception to this policy will be made through a majority vote by the CCS School Board.

Withdrawal from Cornerstone Christian School must be made through the Administrator on an official withdrawal form completed by the parent or guardian. Proper withdrawal forms must be completed and signed by Administration. Tuition and fees continue to accrue until the withdrawal form and exit interview are completed. The exit interview allows administration to close out accounts and give the family leaving an opportunity to provide feedback on their Cornerstone experience. Requests for the transfer of student transcripts or records during the academic term will be processed only when a student's account with Cornerstone is current, paid in full (in withdrawal events), and/or the School Board has reached an agreement concerning the family's financial commitment. All charges to a student's financial account and any school-owned materials must be cleared before any report cards or transcripts will be released, including the return of athletic uniforms and library books. Year-end transcripts and records will not be sent until the account is paid in full.

Please make every effort to assure that financial payments due the school are paid on time. Payment of teachers' salaries and the general cost of operating Cornerstone are dependent upon the school's monthly income generated by our families paying tuition costs in a timely manner. Thank you for your attentiveness to this very important financial matter.

EXPULSION/RE-ENROLLMENT FOLLOWING PROBATION POLICY

Attendance of Cornerstone Christian School is a blessing and a privilege. The desire of the School Board and the faculty of Cornerstone are to ensure healthy, positive, productive relationships within the school. In light of this, Cornerstone Christian School reserves the right to terminate or not renew a student's enrollment contract if the student has been placed on

academic or behavioral probation; or if the School Board, the Administrator, or the Principal deem that the actions of the student or family of the student hinder a positive and constructive relationship. Failure to adhere to financial obligations to the school is also a reason for dismissal or denial of re-enrollment. A decision to deny re-enrollment will be made after consultation with the student's teachers, the administrative staff, and the School Board. Written comments, grades, discipline referrals, conferences, and probations, as well as financial statements and reminders, should give indication of any persistent difficulties leading to denial of re-enrollment.

All charges to a student's financial account and any school-owned materials must be cleared with a total balance of zero before any report cards or transcripts will be released, including the return of athletic uniforms and library books. Withdrawal from Cornerstone Christian School must be initiated through the office on an official withdrawal form completed by the parent or guardian. Tuition and fees continue to accrue until the withdrawal form and exit interview are completed. The exit interview allows administration to close out accounts and give the family leaving an opportunity to provide feedback on their Cornerstone experience.

COMMUNICATION

PARENT-TEACHER CONFERENCES

Parent-teacher conferences are conducted by request. This is an important time for any questions to be answered and any concerns to be shared. The teacher will contact the elementary families with a designated date and time. The secondary teachers will be available to the secondary families for conferences during their scheduled conference periods. If a secondary student has an average below 75% in a particular class, the conference is mandatory for that particular subject. A parent or teacher may request a conference at any time during the school year, and an appointment will be set for the conference.

GRIEVANCE PROCEDURES

The grievance complaint procedure for Cornerstone Christian School is the same for all, whether student, parent, faculty, administration, or board member.

We request that particular attention be paid to the following verses:

- 1. Therefore, as the elect of God, holy and beloved, put on tender mercies, kindness, humility, meekness, longsuffering; bearing with one another, and forgiving one another, if anyone has a complaint against another; even as Christ forgave you, so you also must do. *Colossians 3:12-13***
- 2. Moreover, if your brother sins against you, go and tell him his fault between you and him alone. If he hears you, you have gained your brother. But if he will not hear, take with you one or two more, that by the mouth of two or three witnesses every word may be established. *Matthew 18:15-16***

The following three levels are intended to be used to solve any grievances. While we understand social media has its benefits, we also understand using social media to air grievances can lead to negativity and misperceptions regarding our school community. Parents should not post defamatory comments relating to their grievance. If defamatory comments are posted, this will be addressed by the School Board.

LEVEL ONE

The individual with the complaint must first go to the source of the grievance in an effort to resolve the situation at the lowest level

possible. Many times differences can be readily solved at that level, (i.e., parents should speak with a teacher about a classroom problem; teachers should speak with the Principal or Administrator about a workload problem). Our goal is to address grievances in a kind, private, professional manner - and that God-honoring, effective resolutions are reached.

LEVEL TWO

If a resolution to the grievance is not found, the matter should be brought to the next higher authority in the chain of command, usually the Principal. If appropriate, a joint session with both parties should be arranged. If resolution is still not possible, the grievance should follow the chain of command to the next higher authority, usually the Administrator.

Efforts should center on:

- **Resolution:** Resolution of the grievance in a friendly, cooperative, and Christ-like manner.
- **Arrangements:** Arrangements should be made to monitor the situation on an ongoing basis, so the problem does not resurface.
- **School Board:** Once addressed at the Administrator level, if no resolution has taken place, the problem may be dealt with at the School Board level.

LEVEL THREE

The Cornerstone Christian School Board is the final authority for the school. When a grievance is brought before the Board, all parties involved are to provide the Board with a written and signed statement addressing the following:

- **Complaint:** Statement of grievance
- **Steps Taken:** Written statement of steps taken to rectify the situation
- **Steps for Resolution:** Suggested steps toward resolution of grievance
- **Preventative Measures:** If appropriate, suggested procedures for preventing recurrences in the future

After the Board has considered all information provided, the Board will, in a written statement, offer its decision. All parties will be informed of the decision and be required to abide by the decision. No further appeals process is available.

ATTENDANCE AT BOARD MEETINGS

Visitors are welcome to attend Cornerstone School Board meetings, except for executive session, which is a closed session. If a parent or guardian wishes to speak to the Board, a written request must be submitted to the [CCS Board President](#), Rick Johnson, prior to the scheduled Board meeting. This should be done as early as possible to allow for any assistance the Board may need in looking into the situation. Participants will be informed of the earliest possible date for their presentation. If a grievance is involved, please be sure to refer to the grievance section of this handbook.

ACADEMICS

Choosing to attend Cornerstone Christian School may be one of the most important decisions in a student's life. The opportunity to receive a superior education in an atmosphere that strengthens Christian values is a major benefit of attending Cornerstone.

HOMWORK

Homework is designed to reinforce the principles taught in the classroom. Each student is required to keep a list of assignments in a daily planner (Grades 3-12). The student's responsibility is to take home all necessary books and papers to complete homework assignments. Students who use their time wisely at school will have less homework. Parents are encouraged to check the student's planner for assignments that are due, as well as tests and quizzes which will be administered. Homework due during an athletic event should be turned in prior to the student leaving for the event unless other arrangements have been made with the teacher. Teachers are discouraged from assigning Wednesday evening homework. Therefore, your child should have little to no homework in order to encourage families to participate in mid-week church services.

MAKEUP/LATE WORK FOLLOWING AN EXCUSED ABSENCE

When a student has an excused absence, he/she has the number of days absent *plus one* to get all missing work turned in without penalty or point deductions for being late. Additionally, no student should be subjected to an exam/test over material that is not yet considered due, based on the makeup policy.

When a student has an unexcused absence, he/she will have one full school day to collect missing work. The work is expected to be turned in the following school day. Late work deductions are to be assessed at the discretion of the classroom teacher, per their communicated late work policy.

GRADING

Regular classes are based on a 100 point scale. Teachers will enter grades in a timely manner each week. Grades on assignments from the previous week should be posted no later than the following Wednesday by noon. Grade reporting systems are designed to give the student and the parent an indication of academic progress being made. Progress averages are assessed at the three week, six week, and nine week point each quarter. These averages are used to determine TAPPS eligibility in secondary students. Students become ineligible if a grade average is below 70. Students not meeting eligibility must report for tutorials during designated times but may practice with their competitive teams during non-tutorial times. The student's eligibility will begin the Tuesday after the reporting period. Report cards are issued quarterly, at the end of each nine-week grading period. Parents may track the progress of the student by logging in to FACTS/RenWeb. Parents have the ability to view their child's grades only. Students in junior high and high school who have an average below 75% are required to attend weekly tutorial classes in the particular subjects until the average in that subject is 75% or above.

Juniors/Seniors: Two and a half points will be added to each semester average for challenge courses. A list of challenge courses is maintained in the office. The increase is a reward to students who take more challenging coursework. In addition, students will receive a ten point increase to the numeric grade of dual credit courses taken through Howard College or Angelo State University. Students must score a 17 or higher on the ACT or a 1070 on the SAT (combined Math and Reading only) for Dual Credit eligibility.

GRADEBOOK MINIMUMS

ELEMENTARY/SECONDARY

All students should receive a minimum of 10 grades in gradebook per subject per quarter. There should be at least 3 major grades (Higher weight percentage grades, such as tests/exams/essays/projects); a minimum of 7 minor grades should make up the rest of the student's total average. (Minor grades would include items like bellwork, bellringers, daily grades, drills, quizzes, homework, etc.) There should be at least one major grade and a minimum of 2 minor grades recorded for each of the 3 week grade reporting cycles.

ELEMENTARY

All students should receive a conduct grade based on a concrete behavior/expectation rubric and conduct book/log documenting occurrences/infractions. The scale for this grade will be ESNU with numeric equivalents as shown in the table below:

ESNU Scale	Numeric Grade Range
E= excellent	86-100
S = Satisfactory	71-85
N = Needs Improvement	65-70
U = Unsatisfactory	0-59

Student conduct grades in elementary grades 3-5 will be calculated into quarterly awards.

TRUTH IN GRADE REPORTING

Grades are a numeric representation of a student's progress through a set of skills and objectives. This communication piece between teachers and parents must be reliable. While responsibility and work ethic are a big part of education, as much as is within the teacher's power to do so, grades should depict a student's true mastery level on skills assessed, rather than compliance or completion of a given assignment. (Example: Issuing 100's for assignment *completion* is not an accurate depiction of how well a student understands academic material and should not be used as one of the 10 minimum grades during any grading cycle.) Whenever possible, grades should represent skill/objective mastery over a student's compliance/assignment completion rate.

TAPPS ELIGIBILITY

The eligibility status of all secondary students will be determined in 3 week grading cycles. At the end of the 3/6/9 week cycles, if any student is not passing one or more classes (70% or higher is passing standard), he/she will become ineligible the Tuesday following the end of the grading period.

SEMESTER EXAM POLICIES

- **Students in grades 6-12** are required to take semester exams in the fall and spring. The semester exam counts 10% toward a middle school student's (grades 6-8) final semester average.
- The semester exam counts 20% toward a high school student's (grades 9-12) final semester average.
- Juniors and Seniors who have a 93 or above average in a class are exempt from the semester exam. If they deem the exam can raise their grade, they may choose to take it, but it is optional for these students. If by choosing to take a semester exam during an excepted cycle the exam grade lowers the exempted student's average in the particular class, the exam will be dropped.

PHYSICAL EDUCATION CREDIT

All students must have at least 2.5 credits in the P.E. program. Full participation is required to receive a P.E. credit. Exceptions will be made only upon a written excuse from parents or a medical doctor. After three consecutive days of non-participation, a doctor's excuse is required.

Interscholastic sports are continuing to be developed and scheduled in accordance with students' interests and the availability of competition, equipment, and playing areas. P.E. is required for a student to be a participant on a CCS competitive sports team.

TUTORIALS

Tutorials are offered by each teacher on designated days and times during the week. **If a student has an average below 75% in a particular class, he/she is required to attend tutorials.** If the student is below 70%, the student is ineligible to participate/compete in TAPPS events and will attend mandatory tutorials. Extra-curricular practices will be allowed during the failing period, but the tutorial time will take priority over the practice time. Juniors and Seniors needing mandatory tutorials will lose their off-campus lunch privilege until the tutorials end.

ACHIEVEMENT TESTING

Cornerstone uses NWEA, a nationally-recognized, computer-adaptive test to measure academic growth in our students. This test is not a standardized test, nor is it used as an end of course measurement of student success. It is a tool that informs teachers what level of progress students have made over the course of the school year. NWEA Map data also places students into a national rank percentage, based on all other students at the same instructional level who have taken the same assessment through NWEA. Testing takes place in the fall, winter, and late spring of the school year and test scores are reported to the families.

ACT review classes are offered to our tenth and eleventh grade students. The PreACT is administered to the tenth and eleventh grade students each fall.

ATHLETICS AT CORNERSTONE

Elementary

Students in K5-5th grades participate in a dedicated, daily physical education class. No special athletic uniform is required for participation, but appropriate footwear is encouraged.

SPIRITUAL DEVELOPMENT

BIBLE CLASS

All students enrolled at CCS take part in daily Bible instruction. This instruction is foundational to all we do at Cornerstone. Included in this Biblical training, students are expected to participate in Scripture memory assignments, to learn and internalize Christ-like character traits, and to complete graded assignments as a part of their academic and spiritual development.

CHAPEL

A Cornerstone education is built upon the centrality of Jesus Christ to every aspect of the lives of all of the school's students, staff, and associated parties. As a result, the Wednesday chapel service is a focal point in the education, spiritual growth, and development of students and staff alike. The chapel service is an opportunity for all who attend to worship the Lord and lift Him up preeminently and corporately as a unified school body. It is a wonderfully necessary part of the educational culture that is present at Cornerstone. Family member attendance at chapel services is welcome. We also receive an offering each chapel service, and the money is given to a local and/or designated ministry. Giving is not mandatory.

MISSIONS

CCS high school students serve on a mission trip each spring. These mission trips are designed to give our high schoolers a chance for mission work, service, and outreach beyond San Angelo.

9th/10th graders: The freshman and sophomore classes typically travel to Medina, Texas helping at a children's home for a period of 3-4 days toward the end of the spring semester. During this mission, students may complete outdoor landscaping projects, help organize or paint the facilities, and share the love of Jesus with children at the mission.

11th/12th graders: Our junior and senior classes most frequently travel to Guatemala each spring to serve through a group called Promised Land Ministries. They will volunteer in running a vacation Bible school, building homes, installing ovens, or completing other building projects to support a ministry while experiencing a culture apart from their own.

RETREAT

All secondary students attend a 3-5 day spiritual retreat in the fall semester. The cost of this retreat is included in the simplified tuition plan. The retreat is geared toward growing a deeper relationship with God while also bonding with teachers, mentors, and classmates.

SERVICE PROJECTS

Cornerstone places great importance on the Christian act of serving others. At least once per quarter, all CCS students join together to complete a service project, for the school, local community, or an outside organization. Service projects might include activities like visiting a long term care facility and visiting with/praying for those who dwell within, decorating lunch bags for Meals for the Elderly, contributing to Operation Christmas Child in a school-wide project, or any number of other service-oriented projects. We rely on parents and faculty members to be able to continue these wonderful practices and are always looking for new ways to bless others.

DISCIPLINE

Philosophy of Discipleship

- Discipline is a powerful tool that God has given man to shape the heart. In the context of a Christian school, discipline is an instrument that can be used to shape the heart and soul of the next generation for the cause of Christ. The Christian school staff is privileged to be given the responsibility of partnering with the parents of students in this journey of training children up in the ways of the Lord.
- Our philosophy of discipline is redemptive in nature. At Cornerstone, our goal is to train and nurture students in the precepts of the Word of God so that they become more Christ-like in attitude and action. We want to provide an atmosphere that is both preventive and corrective with the goal of encouraging students to develop self-control. Classroom discipline is therefore a foundational aspect of our instructional program.
- Parents have a significant impact on the discipleship efforts carried out at Cornerstone. Hence, positive parental support of the discipleship steps taken at school is necessary for your student to maximally respond to these character shaping endeavors. The goal is to create the optimal environment for your student to grow in

the image of Christ through the work of the Holy Spirit as parents and the school staff work together in this discipleship process.

- The teacher is charged with the responsibility for maintaining control in his/her classroom in such a way that creates a positive environment in which students can learn and interact with one another. Teachers establish an effective discipleship plan by first clearly setting forth appropriate standards for conduct based on Biblical principles, and then consistently and fairly holding students accountable to these standards.
- Parents are responsible to God for the discipline of their children, and Cornerstone will endeavor to work with parents when discipline is needed. We believe that a positive and constructive working relationship between the school and the parents of students is essential to the accomplishment of the school's mission.

Education and Discipleship

- We believe that Jesus Christ is the true foundation of all knowledge and learning.
The fear of the Lord is the beginning of wisdom, and the knowledge of the Holy One is understanding.
Proverbs 9:10
- Cornerstone Christian School recognizes and teaches that all experience and growth (spiritual, intellectual, emotional, and physical) should be grounded in Scripture and should reflect the sovereignty of God over His creation.
- We believe that God gives responsibility for training children to their parents.
Hear, O Israel: The Lord our God, the Lord is one. Love the Lord your God with all your heart and with all your soul and with all your strength. These commandments that I give you today are to be on your hearts. Impress them on your children. Talk about them when you sit at home and when you walk along the road, when you lie down and when you get up. Deuteronomy 6:4-7
- Cornerstone Christian School will reinforce parental authority in the realm of education and will encourage the primacy of the local church in the lives of its families. We desire to partner with parents by providing role models, a body of knowledge, and an academic experience and environment in which students are encouraged to think and live Biblically and to grow intellectually and spiritually.
- We believe that the Lord uses education to prepare people for the life that He has in mind for them. It is an instrument used by Him to shape the heart and vision for life of those going through the educational process.
- Within the context of education and discipleship, teachers, students, and parents have certain responsibilities that are to be fulfilled by each respective party if Cornerstone discipleship is to produce the desired fruit.

Elements of a Christ-centered Assertive Discipline Plan:

Cornerstone's established hierarchy of discipline is consistent with the principles of assertive discipline. These basic principles are outlined as follows:

- Students will be informed of the behavioral expectations of them at the beginning of the school year.
- School staff will hold the students accountable by expecting students to comply with these standards.
- When students choose to behave in a manner that is inconsistent with expectations, the staff consistently and predictably follows through with consequences appropriate to the misbehavior.
- The ultimate goal in administering corrective discipline is a transformed heart that is consistent with the image of Christ. Such an intervention, when necessary, will be carried out in a Christ-like manner on the part of the school staff.
- The goal is to administer discipline with a winsome, non-hostile, loving heart while viewing the student as Christ views him/her. Approaching discipleship from this perspective will best serve the long-term interest of the student and it will ideally produce a self-disciplined, Godly person.

Elementary School Disciplinary Response Matrix:

For students who do not comply with the standards and expectations of the school, the following disciplinary matrix will serve as a general guide in administering discipline.

When administering discipline, administration will prayerfully consider the following factors: the student's age, attitude, seriousness of offense, and the potential effect of misconduct on the school environment. The chart below shows possible consequences for each level of infraction.

Level of Infraction	First Occurrence	Second Occurrence	Third Occurrence	Fourth Occurrence	Fifth Occurrence
1	Classroom Discipline Plan	Talk/Sit/Work, Classroom Discipline Plan	Talk/Sit/Work, Classroom Discipline Plan	Talk/Sit/Work, Call to Parent, Classroom Discipline Plan	Referral to Principal, Call to Parent
2	Talk/Sit/Work, Call to Parent Automatic Detention	Referral to Principal, Call to Parent Possible ISS	In-School Suspension, Conference with Teacher/Parents/Principal	Out-of-School Suspension, Disciplinary Probation	
3	Referral to Principal, Conference with Parent, In-School Suspension	Disciplinary Probation, Out-of-School (OSS) Suspension	Disciplinary Probation, Possible Expulsion	Probable Expulsion	
4	Referral to Principal, Disciplinary Probation, ISS, OSS, or possible expulsion	Probable Expulsion			

- In general, Level One Infractions will be handled according to classroom consequences and will require the attention of the teacher and the parent. Level Two Infractions will require the teacher, parent, and principal's attention. Level Three Infractions will require the attention of the principal and parents. Level Four Infractions will require the attention of the principal, administrator, and school board.
- **Talk/Sit/Work:** This consequence involves the teacher and student discussing the infraction and the student sitting on the bench and/or working during recess for a teacher-designated amount of time. The entire recess will not be taken from the student.
- **Referral to Principal:** This is a written account of the infraction sent to the principal who requires a conference with the student and the principal. The principal will call or conference to communicate with the parent concerning the infraction.
- **Detention:** This consequence will be assigned by the teacher after communication has been made with the parent/guardian. Detentions are used for level 2 infractions and habitual level 1 infractions. The student will serve their detention during the school day.
- **ISS (In-School Suspension):** In-School Suspensions are a day or any part of a day in length and are served as directed by the Elementary School Principal.
 - An ISS involves removing a student from his/her peers (but not from the school environment) for the term of the suspension.
 - Student accounts will be charged \$70.00 a day or \$35 for ½ day in order to compensate the person hired to provide the personal supervision and educational guidance that is necessary in ISS.

- The goal in this process is to motivate the student to take responsibility for changing his/her behavior to comply with school standards.
- The parents will be given a signed copy of this plan. If the student follows the established plan and overcomes the behavioral or procedural problem during the school year, he/she will be removed from Disciplinary Probation.

Expulsion:

Expulsion:

- Cornerstone Christian School realizes that expelling a student from school (permanent removal from the Cornerstone community) is a very serious matter and considers such actions carefully on a case-by-case basis.
- Forgiveness and restitution are fundamental to our total discipline policy.
- However, should a student and his/her parents not be able to eliminate behavioral problems or if the student is guilty of a Level Four Offense, he/she will be subject to Expulsion at the discretion of the Cornerstone School Board.

INTERPERSONAL RELATIONSHIP POLICY

The standard for Cornerstone students in regard to male and female interpersonal relationships is completely consistent with and entirely guided by what the Bible communicates as God’s design for men and women. Dating, courtship, and marriage are to be conducted exclusively between individuals of the opposite gender. Genesis 2: 24 states, “Therefore a man shall leave his father and mother and be joined to his wife, and they shall become one flesh.” This Biblical teaching is repeated throughout Scripture; Mark 10 and Matthew 19 are just two other references that clearly establish God’s mind on this matter. Dating and courtship, as directed by parents for students, are activities that are undertaken in order to find a mate for life. The “divine design” put forth in Scripture serves as the sole guide in establishing what is expected of staff and students alike

at Cornerstone Christian School for these relationships. There are many warnings put forth in Scripture against any deviation from God's plan for the expression of gender relations. A few of these warnings are as follows: Genesis 19, Judges 19:22, Leviticus 18:22 & 20:13, Romans 1:22-28, I Corinthians 6:9-11, I Timothy 1:8-11, and Jude 7.

On occasion, the atmosphere or conduct within a particular home may be counter or in opposition to the Biblical lifestyle our school teaches. This includes, but is not necessarily limited to, sexual immorality, homosexual sexual behavior or conduct, or inability to support the moral principles of the school. In such cases, the school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student or discontinue a staff member's employment.

ATTENDANCE POLICY

Research has shown a direct link between student attendance and academic performance. When a student misses class, they miss out on a valuable learning opportunity that cannot be repeated. At Cornerstone Christian School, we comply with state law and state education codes in regard to school attendance policy as much as deemed educationally sound and not contrary to our Christian principles. Students are required to minimally attend 157 days in a school year in order to be eligible to progress to the next grade.

WHEN YOUR CHILD IS ABSENT:

1. Call or email the school before 9:00am the day of the absence. Leave your name, student's name, date you are calling, and the reason for absence.
2. If contact is not made by 9:00am, the school will attempt to contact one of the parents.
3. An absence where no contact has been made and no note has been brought in will be considered unexcused upon the student's return to school.
4. Students missing class 2 hours or less are still considered present for the day.
5. Students missing more than 2 hours but less than 4 hours are considered absent for a half day.
6. Students missing 4 hours or more are considered absent for the entire day.
7. Students who miss school for reasons other than a school-related absence are **not** eligible for perfect attendance awards.

ABSENCES FALL INTO THE FOLLOWING CATEGORIES:

EXCUSED ABSENCES

(An excused absence registers as an absence.)

Policies and procedures concerning excused absences are as follows:

1. Absences are considered excused for the following:
 - Illness (doctor's verification may be required)
 - Family Emergency
 - Medical or Dental Appointments (doctor's verification may be required)
 - Approved Planned Absences that are academic, enrichment, or need-based in nature
 - Junior/Senior College Visits (2-5 days)
 - School Sponsored Events
2. Parents may request homework assignments for students, which may be picked up at the end of the school day in the school office.

3. The student will have the same number of days of the absence *plus one* to make up daily work. (Example: If absent on Monday, work is due on Wednesday.)
4. Students should expect to make up quizzes and tests on the day they return to class if they were assigned before their absence. If the student's absence is long term, or if he/she has missed class reviews for a quiz or test, then the student may arrange with the teacher to make up the work within a reasonable timeframe after returning to school and prior to being expected to take the quiz/test.

PLANNED ABSENCES

(Planned absences can be either excused or unexcused and will be approved at the discretion of the Administrator.)

Every effort should be made to work around the school calendar when planning vacations and family activities. Students must be current with their school work, and have no less than a 70 grade average, and must not have excessive absences or excessive discipline issues. Students must be present for norm-referenced testing and the end of quarter finals throughout the year.

1. A planned absence form can be obtained in the school office or on the school website.
2. Planned absence forms must be turned in 5 days prior to the planned absence.
3. Approval of a planned absence is not necessarily an excused absence. Absences will be coded excused/unexcused based on the nature of the absence. If the absence is academic, an enrichment activity, or based on need (family emergency) there is a greater likelihood of it being excused.
4. School work is due upon return.

UNEXCUSED ABSENCES

Policies and procedures concerning unexcused absences are as follows:

1. Absences are considered unexcused if the student and/or parent fail to comply with the attendance policy.
2. Academic impact of unexcused absences: Class work and assignments are still due for the day(s) of the unexcused absences.

EXCESSIVE ABSENCES

1. Nine or more absences in any class period per semester are considered to be excessive. A note will be sent after the 10th absence.
2. The student may also be enrolled in Saturday school for each day or class period (secondary) missed beyond eighteen days of absence.
3. The cost for Saturday school (\$70) will be incurred by the parents.
The decision to recommend Saturday School or summer school for elementary aged students will be based on student academic achievement data and will always be made with the best interest of the student in mind.
4. High school student attendance is taken each class period since each class counts as a necessary credit for graduation. Therefore, excessive absences in a class could result in the student not receiving credit for the course.
The recommendation for Saturday School or Summer School will be made with both attendance recovery (earning a credit) and the academic advancement of the student in mind.

ABSENCES AND EXTRACURRICULAR ACTIVITIES

The student's attendance record will be considered for approval in extracurricular activities. For participation on a given day, a student must be in attendance for four full periods that day. Permission to miss school additional periods would be granted by school administration for unavoidable appointments as covered by the attendance policy, except illness.

TARDIES

Students are expected to be in class, seated and ready to begin class at 8:00am. All students who are late will be issued a tardy slip from the front office and need to be signed into the office by a parent/guardian. K3 and K4 students are expected to arrive on time for class and will be issued a tardy slip, but the disciplinary action consequences for tardiness will not be incurred for these students. A student is considered tardy for a class when he/she is not in the classroom when the tardy bell begins to ring.

Tardiness disrupts the learning process, which affects both the teacher and the other students. Please do not be late to class.

Policies and procedures concerning tardies are as follows:

1. A parent of an elementary aged student must personally sign their child in at the school office if arriving late.
2. If a secondary student is arriving to campus late, he/she must sign in at the secondary front desk and receive his/her tardy slip.
3. Attendance is taken every period for secondary students. If a secondary student is tardy in excess of ten minutes to any period, this will result in the student being counted absent for that period.
4. Five (5) unexcused tardies = one absence.
5. Tardies are assessed on a regular basis by homeroom teachers and our attendance clerks/receptionists.
6. Students with excessive tardies may be subject to disciplinary action.

MAKE-UP/ LATE WORK FOLLOWING AN EXCUSED ABSENCE

When a student has an excused absence, he/she has the number of days absent *plus one* to get all missing work turned in without penalty or point deductions for being late. Additionally, no student should be subjected to an exam/test over material that is not yet considered due, based on the makeup policy.

SIGNING AN ELEMENTARY STUDENT OUT

1. If you are planning on signing your child out early, please notify the office before school starts.
2. Checking your child out early needs to follow the excused absence guidelines or it will be marked as an unexcused early out.
3. Three (3) unexcused early check outs = 1 unexcused absence.
4. Sign your child out in the office (do not go directly to classroom) and a message will then be sent to the teacher.
5. If your elementary child is returning to school, parent must sign student in at the school office.

****Any person(s) (including grandparents/siblings) who are not the parents/guardians will not be allowed to pick up any student early (even if on the pick-up list) without a note/call from the parent. Any family/friend or other persons will not be allowed to attend a student for lunch or visit unless a note/call has been sent beforehand by the parent.**

SIGNING A SECONDARY STUDENT OUT

1. If you are planning on signing your child out for a portion or the remainder of the school day, please enter secondary building to sign your child out.
2. Attendance in secondary is marked each period. If your student is gone for 18 or more of the same class period in a single school year, he/she may be subject to Saturday school for attendance recovery.
3. If you plan to sign your student out and return them following a doctor/dentist/ortho/eye or other type of appointment, please provide a note from the doctor/professional's office stating the reason for your absence.
4. Sign your child out in the office (do not go directly to classroom) and a message will then be sent to the teacher.
5. If a secondary student is returning to school, they must sign in to get a pass to class.
6. When a student is driving, they need to sign out in the office. If a note has not been received prior to time of checkout, parental permission by phone must be given before student can leave school.

**Any person(s) (including grandparents/siblings) who are not the parents/guardians will not be allowed to pick up any student early (even if on the pick-up list) without a note/call/email from the parent/guardian. Any family/friend or other person will not be allowed to attend a student lunch or visit unless a note/call/email has been sent beforehand by the parent of the CCS student.

HEALTH

ILLNESS

Students are expected to remain at home when they exhibit the following conditions:

- A temperature of 100 degrees or more
- Purulent discharge from nose or eyes
- Cough or sore throat accompanied with fever
- Vomiting
- Diarrhea
- Open, draining lesions
- Lice (Student may return 24 hours after treatment begins, and when **all** evidence of lice is gone.)

A student who has a communicable disease or infestation such as chicken pox, pink eye, strep throat, flu, head lice, bed bugs, or ringworm must remain at home while he/she is contagious.

Students need to be temperature-free without medication for twenty-four hours before returning to school. This list is not exhaustive, so please use your best judgment in determining your child's condition. If your child becomes ill at school, please be prepared to pick them up as quickly as possible.

HEALTH & SAFETY PLAN

The current plan is based on a "Healthy Only" framework for beginning the 2022-2023 school year. This framework requires parents and employees to ensure that only healthy individuals are permitted on campus. The school facilities will receive increased levels of cleaning and sanitizing, but there would be minimal disruption to typical classroom routines.

A “Healthy Only” framework provides the greatest level of normalcy but depends on students and employees to remain at home if they display any flu-like symptoms or have been in contact with others who are symptomatic. Those in violation may lose their privilege to return to campus.

While we encourage students to be in the classroom, we can offer remote instruction when needed or under special circumstances as approved by administration.

Athletics	1. CCS will comply with guidelines provided by the Texas Department of State Health Services and TAPPS.
Classrooms & Facilities	2. All classrooms will be equipped with hand sanitizer, disinfectant spray, wipes, and paper towels. 3. Common areas will be cleaned and sanitized regularly. 4. Janitorial staff will be responsible for cleaning and disinfecting. 5. Students will bring their own water bottles labeled with their name. If a student does not bring a water bottle, a disposable water bottle will be provided and the student’s FACTS account will be charged \$1.00.
Guests, Parents, & Visitors	6. All guests, parents, and visitors will be required to check in at the office.
Health Screening	7. Parents of any child with a fever of 100 or more will be contacted and asked to pick their child up and take them home. 8. Any employee that exhibits a fever of 100 or more will be directed to leave campus immediately. 9. If a student or staff member presents any possible infectious virus or disease symptoms, administration staff will complete the assessment and notify parents/staff to be sent home. 10. If a student has tested negative for known viruses and bacterial infections, they can return to school once there is no fever without the use of fever-reducing medicines and they have been symptom-free for 24 hours. 11. In order for a student or staff member who has been diagnosed with a known infectious virus or disease or has been sent home for exhibiting symptoms associated with a known infectious or viral disease to be allowed to return to campus, both of the following criteria must be met: <ul style="list-style-type: none"> ○ At least 24 hours have passed since recovery (resolution of fever without the use of fever-reducing medications); ○ The individual has improvement in symptoms (e.g., cough, shortness of breath); 12. A student or staff member who has been in close contact with a person, who has contracted a known contagious virus or illness and does not live in the same household, must be symptom-free for at least 24 hours prior to returning to campus. 13. If a person in a student/staff member’s same household tests positive for a known viral or infectious illness and the local health authority initiates a quarantine period on members of that household, it is expected that all members of that household will remain in quarantine until that time period expires. Please notify us if this occurs, so we are able to provide virtual support to any student(s) this applies to.

MEDICAL RECORDS/MEDICATION

Texas law requires every student to have his/her immunizations records on file and up to date each school year. A medical information emergency form must be completed each year so that specific steps can be taken in case of any emergency.

Medication is dispensed from the office only. Any medications your child needs can be sent to the office in its original bottle/container. A medicine release form must be signed by the parent/guardian. The medicine must include the following:

- Student's name
- Name of medication
- Date(s) to be given
- Time(s) to be give
- Dosage particular to child

Dosage given must follow the weight/age requirements on the medicine unless prescribed differently by a physician. Students may not possess any medication on campus, including aspirin, Motrin, Advil, and Tylenol. The only exception to this rule is asthma inhalers. This medication policy extends to field trips, student retreats, and athletic events/activities.

CONCUSSION POLICY

CCS faculty and staff are aware of the seriousness sustained from a concussion. If your child has been diagnosed with a concussion, please send all paperwork from the doctor to the school. The doctor's note will provide the protocol for teachers and coaches to follow during the healing process. The teachers, coaches, and administration will work together with the parents/guardians to communicate during the recovery period and afterwards as the student is getting back into their normal routine.

SUN POLICY

The World Health Organization {WHO} notes "Ultraviolet {UV} radiation exposure during the school years contributes significantly to total lifetime sun exposure" and can cause skin cancer. UV radiation damages the skin, eyes, and immune system and the effects of sun exposure are cumulative. Sunlight is most intense between 10am and 4pm when students are often outdoors for recess, athletics and after school activities. The Administration and Board of Cornerstone Christian School recognizes the need to have a sun protection policy in place in order to protect the skin health of its students as well as all school employees.

It is not the intent of this policy to eliminate physical education or other outdoor programs during or after school but to promote awareness of elements of skin protection and prevention of overexposure to the sun. School leaders shall prepare, adopt, and carry out a sun safety plan that includes:

1. A program of sun safety education that is integrated within both the general and health education curricula and coordinated with outdoor measures at school to prevent skin cancer.
2. Measures to encourage student use of protective items such as clothing, hats, and sunglasses during all outdoor activities, including physical education, recess, and all before- and after- school activities.
3. Measures to encourage student use of protective items such as sunscreen and lip balm during all outdoor activities, including physical education, recess, and all before- and after- school activities.
4. Educate and encourage school staff to adopt and model sun-safe behaviors, especially staff members who spend significant amounts of their day in the sun.

ASBESTOS MANAGEMENT PLAN

The district's Asbestos Management Plan, designed to be in compliance with state and federal regulations, is available in the superintendent's office. If you have any questions, please contact the superintendent.

- Student users must always obtain permission from their instructors before using the Internet or accessing any specific file, application, or software. Students must comply with all written and oral instructions mandated by authorized personnel.
- Users are not allowed to play games or use the Internet for non-educational or non-research activities. Users may

not print any information gathered on the Internet or composed while on a Cornerstone computer without prior approval and consent by a qualified staff member.

ENCOUNTER OF CONTROVERSIAL MATERIAL

Cornerstone will provide filtering software to keep students and staff from accessing objectionable material. Despite best attempts to filter material, the possibility remains that users may encounter material that is controversial, inappropriate, lewd, lascivious, pornographic, or offensive in some form or manner. It is the user's responsibility not to initiate such materials. The instructor has the right to terminate objectionable material that any user may have retrieved, whether accidentally or intentionally.

PENALTIES FOR IMPROPER USAGE

- Any user caught violating Cornerstone rules or applicable federal or state laws is subject to loss of Internet privileges along with other appropriate disciplinary actions.
- In addition, users violating any laws of any state or federal government may be subject to criminal prosecution.
- The consequence of the violation will depend on the severity of the abuse.

CELL PHONE / ELECTRONIC DEVICE POLICY

Cornerstone Christian School embraces the use of technology as an aid to the educational process. Laptops, iPads, Kindles, and other similar devices may be used strictly for academic purposes as directed by the administration and teachers of Cornerstone. Internet use at school is to only be done with the permission and direct supervision of the staff.

Students using these devices for entertainment or unauthorized activities will have the electronic devices taken from them and returned to their parents. If a second incident occurs, the student will lose the privilege of using any personal electronic device for academic development for the remainder of the school year.

Cell phones, Smartwatches, earbuds (ex. AirPods), and any portable electronic devices such as iPods must be turned in to the tech box each morning upon arrival to campus. The devices need to be picked up at the end of the school day or prior to a checkout. Cell phone use and texting is not permitted during the school day. Students not following policy will have the device taken up for 3 calendared school days and a fee of \$20 will be collected before the device is released back to the student. Special permission for cell phone use may be granted on a case by case basis.

Laptops may be used at school for academic purposes only. **Permission must be granted and access to wireless internet permitted by Administration.** Abuse of personal computers or any violation of the stated Internet usage policy will result in the suspension of the privilege to use a laptop during school hours.

SAFETY PLAN

INCLEMENT WEATHER

In the event that school is delayed or closed, CCS will contact KLST (Channel 5 News) and KSAN (Channel 3 News) as quickly as possible to relay the message. In addition, a social media alert (<https://www.facebook.com/ccsofsanangelo>) (<https://twitter.com/CCSSanAngelo>) will be sent, a **Nixle alert** (text CCSPARENTS to 888-777 to receive alert) will be sent, and a notice to the Standard Times (gosanangelo.com) will be sent.

When the temperature is 41 degrees and above, including the wind chill, our students will gather on the playground in the morning prior to school beginning. Please send your child to school adequately dressed for the weather each morning. If the weather is 40 degrees or below, raining or heavily damp, the students will gather in the gymnasium (grades 6-12) and the elementary classrooms (grades K3-5th grade). **The principal has final discretion on being inside or outside.**

FIRE, DISASTER/EMERGENCY, AND LOCK-DOWN DRILLS

Fire drills are scheduled several times during the year. These drills are conducted to ensure our students can rapidly and safely exit our buildings in an organized manner. Disaster drills are held primarily in case of a tornado. Students are instructed where to be and the proper emergency posture to assume. Escape routes for both scenarios are posted in each classroom. Lockdown drills are held in case a situation occurs that requires the school to lockdown.

TRANSPORTATION

STUDENT DRIVERS

Student drivers are to park their vehicles in the designated student parking area. Upon arriving at school, the vehicle is to be parked for the entire day unless off-campus permission is given by the administration. Each student driver is required to have on file a permission form, a copy of his/her license, and a copy of his/her insurance policy. Cornerstone reserves the right to suspend driving privileges to and from school if a student drives in a careless or reckless manner on or near school property. This will be done even if the student losing driver privileges is a carpool driver.

OFF-CAMPUS LUNCH

- Juniors and Seniors are eligible to go off campus for lunch two days a week. The administrator will approve which 2 days are assigned. Students are required to sign out before leaving for lunch. Students are to return promptly in order to not be tardy for their 6th period class. Students driving and riding should have the appropriate forms completed and on file in order to participate in this privilege. All handbook policies must be followed. Consequences for misconduct will be enforced. Students in tutorials are not approved to participate in this program. Parents will sign a permission form for off-campus lunch. Students are not allowed to go home during lunch with another student unless both sets of parents give approval. Students who return late from off-campus lunch may lose their off-campus privileges.

LEAVING CAMPUS

A student must be formally signed out at the office if they are to leave campus for any reason. Students who drive and have an appointment must sign themselves out and are required to have a parental note or phone call to the office concerning the reason for leaving campus.

If a parent volunteers to drive, proper forms will be requested to be filled out prior to the trip.

Discipleship Plan).
 - Proper prevention and intervention steps will be taken based upon the level of severity of an infraction as outlined in the School Discipleship Plan and this Policy.
 - **Responsibilities of Stakeholders**
 - Cornerstone Christian School Board, school administration, and school staff are responsible for creating a school climate that does not tolerate bullying in any form. When bullying occurs and comes to the attention of the Cornerstone Board or staff, it is to be promptly addressed utilizing the reporting procedures outlined in this policy.
 - The Administrator/Principal will review incidents of bullying that occur in the school on a quarterly basis and the assessment will be reported to the School Board once a quarter (or sooner as the severity of the bullying incidents dictate).
 - Parent participation and partnership are vital for the anti-bullying efforts of the school to be successful.

- Parental support of the school disciplinary interventions, to include bullying, will help in eliminating repeated incidents of such behavior; it will also contribute to the development and maintenance of an edifying, safe, inspiring school environment.
- Parents will be given an opportunity at the beginning of each school year to learn about how to address bullying within their family and within the school environment.
- Anti-Bullying training will be provided annually to parents, teachers, volunteers, and administrators.
 - At the beginning of each school year, the School Administrator/Principal will educate the Cornerstone community (staff, students, and volunteers) on the specifics of the Anti-Bullying Policy and how to identify and report such incidents to the proper individuals within the School.
 - The training will be conducted in conjunction with teacher in-service training programs and other introductory programs for the school year involving school staff and student and family orientations.
- Disciplinary Consequences for Bullying Violations
 - All of the facts surrounding an alleged incident of bullying will be assimilated before any disciplinary action is taken. The disciplinary response will take into consideration (as best can be ascertained through the investigative process) the intent and severity of the accused's words and actions. Concluding whether or not a particular action or incident constitutes a violation of this policy requires a determination based on all of the facts and surrounding circumstances of the case.
 - Consequences and appropriate interventions for students who commit acts of bullying may range from positive behavioral interventions up to, but not limited to suspension, as outlined in the Student Code of Conduct, the Discipleship Matrix, and this Policy.
- Reporting an Act of Bullying
 - The Administrator/Principal is responsible for receiving verbal or written complaints alleging violations of this policy.
 - All school staff are required to report, in writing, any allegations of bullying or violations of this Policy to the Administrator/Principal.
 - Any other members of the school community who have credible information that an act of bullying has taken place may file a report of bullying, whether a victim or witness.
 - Any student, or the student's parents, who believes he/she is a victim of bullying is strongly encouraged to report the incident(s) verbally or in writing to a school official.
 - Complaints should be filed as soon as possible after the alleged incident. This will help the school to eliminate bullying behaviors quickly and will contribute to a positive school experience for all students and staff.
 - The Administrator/Principal of Cornerstone will establish and publicize to students, staff, and parents, how a report of bullying may be filed and how this report will be acted upon. Submission of a bullying complaint made in good faith will not affect the complainant or reporter's future employment, grades, learning or working environment, or work assignments within Cornerstone Christian School.
 - The Administrator/Principal(s) will document complaints regarding bullying, as with infractions of the Code of Student Conduct, to ensure that problems are appropriately addressed in a timely manner, whether the report is made verbally or in writing.
 - Anonymous reports may be made utilizing the Cornerstone Christian School "Anonymous Bullying Report Form." This reporting form can be found on the school's website("www.ccs-sanangelo.com") or the form can be found at the Administrator's office.
 - Administrators will track reported bullying incidents and utilize the information to assess program efficacy and to develop productive anti-bullying interventions.
 - Formal disciplinary action may not be based solely on the basis of an anonymous report.
- Bullying Complaints and Resolution
 - The investigation of a reported act of bullying of a student or Cornerstone employee begins with a report of such an act.

- The Administrator/Principal shall document complaints to ensure that problems are addressed in a timely manner.
 - Informal Resolution
 - Where the Administrator/Principal, along with the complainant and the accused/student, may agree to informally resolve the complaint.
 - If a mutual resolution has not been achieved, a formal written appeal must be filed within two-days after the informal meeting and submitted to the Administrator/Principal.
 - Formal Resolution
 - The complainant/student/employee or parent(s), on behalf of the student, may file a written complaint with the Administrator/Principal by utilizing the Cornerstone Christian School Bullying Complaint Report Form. The form is available on the school website at “www.ccs-sanangelo.com” or at the school office.
 - According to the level of infraction, parents will be promptly notified of any actions being taken to protect the victim via telephone or personal conference; the frequency of notification will depend on the seriousness of the bullying incident.
 - Those incidents that rise to the level of being unequivocal, systematic instances of bullying will be formally investigated and documented.
- Investigation Requirements for Reported Acts of Bullying
 - The procedures for investigating school-based bullying will include the Administrator or a Designee.
 - The investigator may not be the accused or the alleged victim.
 - The Administrator/Principal will begin a thorough investigation and will interview the complainant(s), the accused, and witnesses of the bullying incident within two school days of receiving a notification of complaint.
 - The Administrator/Principal will notify the parents of both the victim and the accused of an act of bullying or harassment that is formally adjudicated.
 - During the investigation, the Administrator/Principal may take any action necessary to protect the complainant, other students, employees, or volunteers. The severity of threat to the individuals involved will dictate what action is taken.
 - In general, student complainants will continue attendance at the school and pursue their studies as directed while the investigation is conducted and the complaint is resolved.
 - Parents of the accused and those who are victims of bullying may be contacted in the investigative process. The complaint will be discussed with parents or other school personnel as necessary to effectively investigate the allegations made.
 - Within ten (10) school days of the filing of the complaint, there shall be a written decision by the Administrator/Principal regarding the completion of the investigation. The Administrator/Principal shall make a decision about the validity of the allegations in the complaint and about any corrective action, if applicable, consistent with the Cornerstone Discipleship Plan.
 - The Administrator/Principal will inform all relevant parties of the decision and the right to appeal.
- Referral for Intervention
 - Those individuals who are found to have committed acts of bullying will be counseled by their respective parents, teachers, and school administrators as appropriate based upon the severity of the particular bullying incidents.
 - The goal of this process is the full restoration of those who are hurt by bullying incidents and the repentance and restoration of those engaging in such conduct.
 - If further referrals are necessary to rectify the bullying incidents and their impact, resources in the community may be engaged (e.g. pastors, Christ-centered counselors, etc.).
- Process for Referral for External Investigation

- If the act initially identified as bullying is outside the scope of Cornerstone Christian School, such as acts determined to be criminal in nature, a referral to the appropriate law enforcement agency will be made.
- The parent will be notified and the referral documented by the Administrator/Principal.
- Appeals Process
 - If the complainant or the accused in an alleged bullying incident are not in agreement with the findings of the Administrator/Principal or the corrective action taken, he/she may appeal to the Cornerstone School Board for further consideration of the case.
 - The Cornerstone School Board is the final determinant in the resolution of bullying incidents within the school system.
- The Goal of the Anti-Bullying Policy
 - Jesus Christ the child is described as increasing in “wisdom and stature, and in favor with God and men” (Luke 2:52). Having a policy of no tolerance for bullying and harassment of students undergirds the foundation necessary for students to flourish in their development at Cornerstone just as the Lord did as a child.
 - Such an environment will also provide the staff and volunteers with a positive, safe environment that will allow them to serve the Lord in the teaching ministry in a manner that will produce the “greatest return” for the kingdom of God.

VOLUNTEER POLICY

The goal and prayer of Cornerstone Christian School is to provide our students with a superior education in a distinctive Christian environment. We firmly believe that active involvement of parents is necessary in order for CCS to be the best possible school for our children. Involvement by parents has many benefits to the students, staff, and parents. Here are some particulars concerning volunteerism at Cornerstone:

- Tuition does not cover all the school’s expenses. Many jobs are completed by volunteers at this time, including facility maintenance.
- When volunteers assist, it frees valuable time for the staff to be more effective in preparation, instruction, and various duties.
- Our parents have a wide range of talents that can be utilized greatly to enhance the students’ relationship with Christ and academics.
- Parents who volunteer gain knowledge and firsthand experience of daily operations at Cornerstone.
- Being a volunteer is affirming to your children.
- Volunteering at Cornerstone builds unity and relationships between families and staff members.
- Additionally, our ability to show an active and involved volunteer base from among our families is a factor in our re-accreditation process.

Because of the high value the School Board places on volunteerism, **each CCS family is required to provide 20 hours of volunteer service to the school each school year.** Volunteer hours provided by grandparents and other relatives may be included in the time required by a family. Time given by the students does not count toward the family volunteer hour requirement. Each family is responsible for documenting their volunteer hours in the binders at the elementary and secondary offices. Please record your hours provided on your family’s sheet. **If you cannot fulfill the time obligation, you may make a \$200.00 donation to CCS.**

Cornerstone will attempt to provide opportunities at various times of the week and various times during the school year in order to allow as many people as possible to participate.
